

*STUDENT-LED | ON CAMPUS | EVERY STUDENT | KINGDOM | PRAYER & WORD*

## WHAT IS CAMPUS FAITH CLUBS?

Did you know that Jesus is still in public schools? In fact, He's the most tenured teacher. How is this possible? Through students who love and serve him. Students have the power, and right, to bring their faith into one of the biggest mission fields: their schools.

Campus Faith Clubs is a student-led, teacher-advised, and parent-supported organization that promotes living out the hope and love of Jesus in schools.

Middle and high school Campus Faith Club students gather to worship, open God's Word, pray, be disciplined, and encourage each other. Oh, and don't forget the donuts! Students build and grow in their faith in a safe and welcoming community, while learning tools to share their faith with others.

Where Campus Faith Club ends, the school day begins and the ministry takes place to share the love, hope and good news of Jesus.

## WHY PARTNER WITH CFC?

Giving to Campus Faith Club expands our vision to impact Middle and High Schools for Jesus Christ. Students live and go to school in a world where identity is questioned, beliefs are compromised, and truth is diluted. Often, students living out their faith are met with questioning, criticism and even hostility.

Campus Faith Clubs provides a community where students are encouraged and empowered to know their identity as a child of God created in His image, to grow in their faith as disciples of Jesus, and then to share their faith in schools as an ambassador of the Gospel.

## WHAT IS THE ROI?

Students find identity, healing, faith, and hope in Jesus Christ. Lives are transformed and disciplined through God's Word. The Fruit of the Spirit is cultivated and nurtured. Students become servant leaders and active evangelists. Through Campus Faith Clubs, the world is changed one student at a time.
